## Easier Access!!

Yes, indeed! Look what we've done! The access to the All Breed venue has been *paved!!!* Oh, that's going to make getting crates etc down into the venue so much easier! Thanks so much to all those who did the hard work, and those who made it possible! Joe, Steve,

## The All Breed Show! July 28, 29 & 30, 2017

### Onward and Upward!

- The ARO was a huge success! We even made money! Far more important, we had a great time and lots of runs and competitors. More than 730 runs in the Agility Ring, and good turn-out in the Obedience and Rally rings. Thanks also to our hardworking crews, from Chris Cornell and Steve Chinn to the judges, the stewards and all those who volunteered to change jumps and equipment in the Agility ring!
- On to the All Breed! Be sure to contact Joe Larson, Steve Chinn or Chris Cornell if you can help! We'll need crew to set up on Thursday, July 26! Stewards to work the various rings, people to work the eye clinic (contact Jan Gould for that; Saturday only), wo(man) the tables, run errands, answer questions... all the things that make a show successful. So please help if you can!

## Any Ideas?

We're looking for a new meeting space for our monthly meetings. Prairie Grange, which has been our go-to spot for many years, now has a no-dog policy, and that is problematic (duh) for us. So if you know of a space that might work, please let someone on the board know! Their emails are on the website ([www.hrkc.org/contact\\_us](http://www.hrkc.org/contact_us)).

Major Edmund F. McKnight Jr., 87, of Prescott, AZ, passed away on June 4, 2017.

Ed was a loved husband, father, grandfather and a proud retiree of the U.S. Air Force. Ed was born to Edmund F. and Mary J. McKnight on January 3, 1930 in Los Angeles, California. Growing up in Los Angeles, he was active in Boy Scouts, Sea Scouts and the DeMolay fraternal organization. He attended Garfield High School, where he competed in gymnastics and played on the football team.

Shortly after graduating, Ed enlisted in the Air Force and trained as an aircraft mechanic. In 1953 he

entered Aviation Cadet Training, earning a commission as a 2nd Lieutenant and graduating with his wings as a navigation officer. He went on to earn his pilot wings in 1956 and pursued a love of flying throughout his career. His

military assignments took him and his family to various bases across the U.S. as well as to Yokota Air Base, Japan. He also proudly served during the war in Vietnam at Da Nang Air Base in 1968. After 20 years of service, Ed retired as a Major in September 1970, settling with his family in Fruit Heights, Utah. He then pursued his dream of graduating from college and attended Weber State College, Ogden, Utah, earning a Bachelor's Degree in Business Management with honors. He eventually moved to Spokane, Washington, beginning a second career as a business account representative.

Ed is survived by his wife of nearly 31 years, Nadene, who he met and married in Spokane on November 28, 1986. After retiring for a second time, he and Nadene enjoyed seeing the sights and cultures of many countries around the world as well as pursuing perfection of their golf games. They enjoyed life together in several places including Port Angeles, WA; Maui, HI; Pahrump, NV; and Casa Grande, AZ before settling in Prescott. Ed is also survived by his first wife, Janice, to whom he was married for 25 years, and their four children, Leah Ann, Edmund Fredrick, Michael Scott with his wife Jana; Christopher Wayne with his wife Ria and granddaughter Justice. There was celebration of Ed's life on June 18, 2017, Chino Valley. Funeral services were held June 20, 2017, 10:00 am, at the Miramar National Cemetery, 5795 Nobel Dr, San Diego, CA 92122.

Ed was an original member of the Hurricane Ridge Kennel Club, and is remembered fondly by many members of the HRKC. Our sympathies go out to Nadene.
