Hurricane Ridge Kennel Club is an AKC-licensed all-breed club and non-profit organization dedicated to promoting the interests of dog owners and breeders of purebred dogs.

### PRESIDENT'S MESSAGE

The COVID Pandemic brought to light the need for animal companionship and as a result, pet ownership in the United States rose to an all time high of 70%. As dog owners we understand how beneficial our canine companions are. Training and competing in events builds a strong relationship with our dogs and there is nothing that makes us happier than seeing the joy on our dog's faces when they are working with us.

We are so fortunate to have the ability to put on so many AKC Trials and Shows on the Olympic Peninsula. What a wonderful show season we had! We had many obstacles thrown at us this year and through dedication and hard work, our club put together three amazing events!

A wonderful Agility/Rally/Obedience Trial, a fantastic All-Breed Show with FastCAT, Rally, Obedience and the most outstanding dog show raffle ever held! Our final event was the Scentwork Trial in October which was very well attended and put on by our dedicated team of Ben and Leah Andrews.

We were very blessed with several new members this year who rolled up their sleeves and helped with our events. Our club is able to put on these dog events because we have a wonderful group of dedicated volunteers. As a non-profit, we are able to donate money raised each year from our events to organizations dedicated to helping dogs and our members choose where our donations go. We have a great club because of our members choosing to devote so much of their time to make our events successful. Thank you for all you do!!!!
