

SNIFF AND GO

Saturday April 26, 2025

Olympic Unitarian Universalist Fellowship

1033 N Barr Road, Port Angeles, WA 98362

5 Searches: Exterior, Buried, Container, and 2 Interior

- No ORT needed to enter. Please be sure your dog is proficient in finding Birch, Anise, Clove or a combination of any or all.
- As this is a practice/learning event you may choose to run through as you would in a trial... Blind hides with odor only or ask to know where the hides are before running. You may also choose to have your hides paired. Handlers choosing the paired hide option will run after all teams running odor only.
- Two dogs maximum per handler. Hides will not be moved for 2nd dog.
- No placements or ribbons. You will receive a score sheet for time, faults (if any) and possible Judge's comments. You may have 1 spectator who can record your run on your device.
- Real time, day of walk throughs will be replaced by a video, virtual walk through. You will be able to access it after April 22nd on the Hurricane Ridge Kennel Club facebook page.
- Keep dogs confined in the car when not working or visiting the potty areas.
- Six foot or shorter leash when not working, no flexi-leashes.
- Use designated potty areas only. No wandering around the surrounding neighborhood. Pick up and take any waste with you.
- Please be aware and keep respectful 8 to 10 feet from other dogs.
- You should receive a Group and Run Order number along with your Check In time, by **2pm April 22nd**. If you have received confirmation for your registration and do not receive this information by such day and time, please email nolypennosers@yahoo.com

Example of how Group /Run order will work:

- There will be 6 groups, 1 thru 6. Six teams in each Group who will be given a Run Order number Group 1, numbers 1 thru 6, check-in 8:45 am. Team 1 on the line 9am.
- Group 2 ,numbers 7 thru 12, check-in 10am. Team 7 on the line as soon as it is free. Group 3 numbers 13 thru 19 and so on.

If you are coming from out of town and prefer a later start time, or if you have a mildly reactive dog that will benefit from starting first in a group and leaving as soon as you are finished, please include a note and we will do our best (not promising perfection) to accommodate you.

ENTRY INFORMATION
